For immediate release

Jacques Cartier Bridge: Closure of exit ramp to Saint-Laurent Boulevard

Longueuil, June 12, 2017 – The Jacques Cartier and Champlain Bridges Incorporated (JCCBI) would like to advise road users that the exit ramp of the Jacques Cartier Bridge to Saint-Laurent Boulevard (in Longueuil) will be completely closed from Wednesday, June 14 at midnight to Friday, June 16 at midnight for surveying, painting and preparatory work. A detour via the local network will be set up.

This work is part of the major repairs currently being done to extend the service life of the Jacques Cartier Bridge and its approach structures.

About JCCBI

As a manager of important infrastructure, The Jacques Cartier and Champlain Bridges Incorporated is a Crown corporation established in 1978 that is responsible for the Jacques Cartier Bridge, the Champlain Bridge, the Champlain Bridge Ice Control Structure, the Île des Sœurs Bypass Bridge, the federal sections of Bonaventure Expressway and the Honoré Mercier Bridge, as well as the Melocheville Tunnel. The Corporation manages, maintains, and repairs these important Greater Montreal structures to ensure the safe passage of thousands of users every day. It also ensures that these critical structures remain safe, fully functional and aesthetically pleasing both today and in the future. www.JacquesCartierChamplain.ca
