Jacques Cartier Bridge: Complete night closure on Tuesday, May 9

Longueuil, May 1st, 2017 – The Jacques Cartier and Champlain Bridges Incorporated (JCCBI) would like to advise road users that a complete night closure of the Jacques Cartier Bridge is planned on Tuesday, May 9, for the reinforcement of steel members. Lanes will close starting at around 11:30 p.m., and the bridge will be completely closed in both directions between midnight and 4:00 a.m. Access will be maintained for emergency services.

This closure is required to ensure user and worker safety during the work. JCCBI recommends that users plan their trips accordingly.

Note that this work could be postponed because of unsuitable weather conditions. Follow us on Twitter [@pontJCBridge](https://twitter.com/pontJCBridge) or visit our website at www.JacquesCartierChamplain.ca for more information.

About JCCBI

As a manager of important infrastructure, The Jacques Cartier and Champlain Bridges Incorporated is a Crown corporation established in 1978 that is responsible for the Jacques Cartier Bridge, the Champlain Bridge, the Champlain Bridge Ice Control Structure, the Île des Sœurs Bypass Bridge, the federal sections of Bonaventure Expressway and the Honoré Mercier Bridge, as well as the Melocheville Tunnel. The Corporation manages, maintains, and repairs these important Greater Montreal structures to ensure the safe passage of thousands of users every day. It also ensures that these critical structures remain safe, fully functional and aesthetically pleasing both today and in the future. www.JacquesCartierChamplain.ca
