

**PRESS RELEASE**  
For immediate release

## **Work on the Champlain Bridge will require the closure of Marie-Victorin Boulevard East on July 27-28**

**Longueuil, July 25, 2017** – The Jacques Cartier and Champlain Bridges Incorporated (JCCBI) would like to inform road users that work on the Champlain Bridge will take place on July 27-28, 2017, for the installation of a temporary platform. The planned work will require the closure of Marie-Victorin Boulevard eastbound (under the Champlain Bridge) and some access ramps to the Champlain Bridge from Thursday, July 27 at 10:00 p.m. to Friday, July 28 at 5:00 a.m. and from Friday, July 28 at 10:00 p.m. to Saturday, July 29 at 6:00 a.m.

### **Closure details**

- + **Complete closure of Marie-Victorin Boulevard East** at the access ramp for Hwy. 10 East to access Marie-Victorin East and/or the Champlain Bridge (see detour map 1)
- + **Closure of the Exit 53 off-ramp from the Champlain Bridge to the South Shore** to access Marie-Victorin Boulevard East or Hwy. 132 East (see detour map 2)

Marked detours will be in place. JCCBI recommends that users plan their trips accordingly.

This work is part of the major repair program for the Champlain Bridge to ensure user safety until the new Champlain Bridge opens.

Note that this work could be postponed because of unsuitable weather conditions. Visit [www.JacquesCartierChamplain.ca](http://www.JacquesCartierChamplain.ca) or follow our Twitter account [@pontChampBridge](https://twitter.com/pontChampBridge) to find out whether the work is going ahead.

### **About JCCBI**

As a manager of important infrastructure, The Jacques Cartier and Champlain Bridges Incorporated is a Crown corporation established in 1978 that is responsible for the Jacques Cartier Bridge, the Champlain Bridge, the Champlain Bridge Ice Control Structure, the Île des Sœurs Bypass Bridge, the federal sections of Bonaventure Expressway and the Honoré Mercier Bridge, as well as the Melocheville Tunnel. The Corporation manages, maintains, and repairs these important Greater Montreal structures to ensure the safe passage of thousands of users every day. It also ensures that these critical structures remain safe, fully functional and aesthetically pleasing both today and in the future.
