

Canadian Navigable Waters Act

The Jacques Cartier and Champlain Bridges Incorporated hereby gives notice that an application has been made to the Minister of Transport, pursuant to the *Canadian Navigable Waters Act* for approval of the work described herein and its site and plans.

Pursuant to paragraph 7(2) of the said Act, The Jacques Cartier and Champlain Bridges Incorporated has deposited with the Minister of Transport, on the on-line Common Project Search Registry (<http://cps.canada.ca>) and under registry number **2801** or under the NPP File Number 2005-300011 a description of the following work, its site and plans:

- Temporary platform under the deck of the Jacques-Cartier Bridge, section 7, between the Sainte-Hélène Island and the Port of Montreal above the St. Lawrence River, City of Montreal.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above under the Comment section (search by the above referenced number) or if you do not have access to the Internet, by sending your comments directly to:

1550 avenue d'Estimauville
Quebec QC
G1J 0C8

However, comments will be considered only if they are in writing (electronic means preferable) and are received not later than 30 days after the publication of the last notice. Although all comments conforming to the above will be considered, no individual response will be sent.
