# NOTICE TO RESIDENTS

Increased noise on Saturday, March 24, 9:00 a.m. to 4:00 p.m.

March 23, 2018

Dear Neighbour,

Major steel work is being done in Longueuil in the sector of Saint-Charles Street and will continue until fall 2018. We would therefore like to inform you that noise from this work will increase on **Saturday, March 24 between 9:00 a.m. and 4:00 p.m.** for preparations to install an acoustic enclosure in the following days that will fully cover the work area on Saint-Charles Street under the Jacques Cartier Bridge.

This acoustic enclosure will minimize any noise or dust that may come from the work site.

We sincerely apologize for any inconvenience and thank you for your understanding.
