

PRESS RELEASE
For immediate release

Jacques Cartier Bridge: No access to Parc Jean-Drapeau toward the South Shore from March 17 to April 30

Longueuil, March 6, 2019 – The Jacques Cartier and Champlain Bridges Incorporated (JCCBI) would like to inform users that the access ramp to Parc Jean-Drapeau, toward the South Shore, will be completely closed from Sunday, March 17 (11:00 p.m.), to Tuesday, April 30 (5:00 a.m.), for excavation and repair work on the ramp. During the work, access to Parc Jean-Drapeau will be possible through the park's access ramp, toward Montreal. A detour via the local network will be set up (see enclosed map).

Following its spring opening, the Jacques Cartier Bridge's multipurpose path will not be affected by this work. However, cyclists and pedestrians wishing to access Parc Jean-Drapeau, will have to do so through the Saint-Lambert locks. This closure is required to ensure user and worker safety during the work.

For real-time information about work performed by JCCBI, follow the Twitter accounts for each of our structures: [@pontChampBridge](#), [@pontJCBridge](#) and [@penthMBridge](#). To help the public plan their travel, users can take a look at [Live Traffic](#) on our website which includes in-progress road closures or obstructions, cameras, and the seven-day work schedule. Users can also get [text or email alerts](#) about major closures or emergency work.

About JCCBI

As a manager of important infrastructure, The Jacques Cartier and Champlain Bridges Incorporated is a Crown corporation established in 1978 that is responsible for the Jacques Cartier Bridge, the Champlain Bridge, the Champlain Bridge Ice Control Structure, the Île des Sœurs Bypass Bridge, the federal sections of Bonaventure Expressway and the Honoré Mercier Bridge, as well as the Melocheville Tunnel. The Corporation manages, maintains, and repairs these important Greater Montreal structures to ensure the safe passage of thousands of users every day. It also ensures that these critical structures remain safe, fully functional and aesthetically pleasing both today and in the future. www.JacquesCartierChamplain.ca
