

PRESS RELEASE
For immediate release

Major work blitz on the Jacques Cartier Bridge No access to the South Shore on September 6-9

Longueuil, Thursday, August 29, 2019 – The Jacques Cartier and Champlain Bridges Incorporated (JCCBI) would like to notify users that major levelling and paving work, electrical conduit excavations and slab repair work, will be carried out on the Jacques Cartier Bridge, during a weekend work blitz, from Friday, September 6 (10:00 p.m.) to Monday, September 9 (5:00 a.m.). During this blitz, there will be major closures to lanes and access and exit ramps, on the Montreal and South Shore sides. Detours via the local network will be set up (see enclosed map).

Closure details

- + [Weekend of September 6 \(10:00 p.m.\) to September 9 \(5:00 a.m.\)](#)
- o Complete closure of the South Shore direction coming from Montréal
 - Complete closure of access to the bridge from Montreal (Papineau North and South entrances)
- o Complete closure of the bridge exit ramp toward Hwy. 134 W./Hwy. 132/Saint-Laurent
- o Closing of two out of three lanes at the exit of the bridge on the Montreal side in the direction of De Lorimier Avenue North

These planned closures during the work are required to ensure user and worker safety. JCCBI recommends that users plan their trips accordingly. Note that this work could be postponed due to unsuitable weather conditions.

For real-time information about JCCBI's work, follow the Twitter accounts for each of our structures: [@pontChampBridge](#), [@pontJCBridge](#) and [@pontHMBridge](#). To plan their travel, users can consult the [Live Traffic](#) section of our website, which includes in-progress road closures or obstructions, camera feeds, and the seven-day work schedule. Users can also get [text or email alerts](#) about major closures or emergency work.

About JCCBI

As a manager of important infrastructure, The Jacques Cartier and Champlain Bridges Incorporated is a Crown corporation established in 1978 that is responsible for the Jacques Cartier Bridge, the Champlain Bridge, the Champlain Bridge Ice Control Structure, the Île des Sœurs Bypass Bridge, the federal sections of Bonaventure Expressway and the Honoré Mercier Bridge, as well as the Melocheville Tunnel. The Corporation manages, maintains, and repairs these important Greater Montreal structures to ensure the safe passage of thousands of users every day. It also ensures that these critical structures remain safe, fully functional and aesthetically pleasing both today and in the future. www.JacquesCartierChamplain.ca
